**Water Restored to Customers Affected by Water Main Break  
on Kirby Road at Claiborne Drive in McLean**

FALLS CHURCH, VA. – At 3:28 p.m. on Friday, Jan. 21, 2005 water was restored to all customers affected by the water main break on Kirby Road. All lanes of Kirby Road are closed to through traffic (except residents) between Dolley Madison Boulevard (Route 123) and Lady Bird Drive while crews repair the roadbed. Kirby Road is expected to re-open to traffic by 6 p.m. when crews complete the repairs.

At approximately 4 a.m. on Friday, Jan. 21 a 24-inch cast iron water main break occurred on Kirby Road at Claiborne Drive in the McLean section of Fairfax County.

City crews shut off the water supply to approximately 80 water customers at 6:15 a.m. in order to perform repairs.

The next update on this water main break will be provided at approximately 6 p.m.
